Re: Amended 30 Post General Report (10/19/06 - 11/27/06)
ID# C00145862

Dear Ms. Kelly:

We have corrected the column B figures for lines 6(a), 6(c), 11(a)(iii), 11(e) and 16 for the above referenced report. The contributions listed as being received for the primary election of 2005, were typographical errors during computer entry and have also been corrected to reflect the proper designation period.

Thank you for your assistance.

Sincerely,
Curtis L. Coonrod
Treasurer, Dan Burton for Congress Committee
